

REMARKS

In response to the Restriction Requirement of September 26, 2005, Applicants elect Claim Group I of which claims 1-19 are included. The accompanying amendment to claims 1, 7, 9, 12, 15, are mainly editorial. The claim amendment to claims 20, 21, and 30 are designed to include a dependency reference off of a claim within the elected claim group such that rejoinder is appropriate upon allowance of the base claim within the elected grouping. The remaining amendments within claims 19 to 31 are directed at conforming those claims to the rejoinder revisions made in the base claim. Applicants look forward to a first action on the merits in this case.
